SUMMARY

Product manager with 10+ years across AI/LLM products, B2B SaaS and education, including founder and growth-lead roles. Built and scaled a WhatsApp AI assistant to 25K+ frontline workers across 3 state governments. Owns products end to end: user research, data-driven roadmaps, hands-on prototyping and LLM evals, cross-functional delivery and go-to-market.

PROFESSIONAL EXPERIENCE

Product Manager, Rocket Learning, Bengaluru — Mar 2025 – Present

- Built, launched and scaled Shiksha Saathi, a WhatsApp AI assistant built on Glific with OpenAI, to 25K+ Anganwadi Workers; launched by 3 state governments, including by Maharashtra's Chief Minister at AI Summit 2026.
- Owned the roadmap while building parts of the AI system hands-on, including LLM evals; built personas and behavioural segments from survey and usage data across 220K users.
- Designed WhatsApp behavioural interventions with Stanford for 5K+ workers to strengthen worker agency and improve parent perceptions of Anganwadi centres.

Product Consultant and Entrepreneur in Residence, build3 and TrustIn, Bengaluru — Jan 2024 – Feb 2025

- Ran build3's accelerator for 20+ impact startups; built a POSH compliance chatbot for TrustIn on Dialogflow and prioritised its feature roadmap.

Product Manager, Revlitix (B2B marketing analytics SaaS), Bengaluru — Jun 2023 – Dec 2023

- First PM: owned the roadmap and ran sprints for a 20+ person engineering and design team, setting up delivery practices the team kept.
- Shipped 15+ marketing-tool integrations and 7 enterprise capabilities, including SSO, role-based access control, audit logs, funnel reporting and workflow automation.

Product Manager, Airmeet (virtual events SaaS), Remote — Apr 2022 – Mar 2023

- Led a 12-person cross-functional team, owning strategy, roadmap, backlog and PRDs; shipped enterprise role-based access controls and SSO from discovery to launch.

Growth Lead, Airmeet, Bengaluru — Jan 2020 – Mar 2022

- Joined as employee #3 and built growth from the first customers to a 50+ member team handling hundreds of leads daily, as Airmeet scaled to 500+ employees.
- Owned the CRM, global growth-funnel KPIs and partner relationships; built a voice-of-customer system routing prioritised feedback to product and engineering.

Co-Founder, Krishworks, West Bengal — May 2017 – Dec 2019

- Co-founded tech-enabled English learning centres in rural West Bengal, scaling to 15+ centres and 2,000+ children; backed by IIM Calcutta and Zinnov.
- Led operations with a quality system combining manager check-ins, worksheet reviews and app data; drove 3 pivots through user research.

Product Manager, Tricog Health, Bengaluru — Oct 2016 – May 2017

- Streamlined onboarding, automation and inventory management for $500K of inventory; built internal operations dashboards.

Digital Marketer, Zenify, Bengaluru — Sep 2015 – Oct 2016

- Ran 15+ demand and supply lead-generation channels, growing leads 400%+.

EDUCATION

Executive Certificate in Product Management, Indian School of Business, Hyderabad — 2023

B.Tech, Chemical Engineering, National Institute of Technology Karnataka (NITK), Surathkal — 2015
